Product Advice

Keep out of reach of children. Vitamin C from Acerola berries can be taken as a food supplement but is not a substitute for a balanced and varied diet.

ACEROLA C Elite™

Acerola C Elite™ - 100% Organic Acerola Berry Juice Powder with 20% naturally occurring Vitamin C and Glisodin®: [Cucumis melo (100% whole fruit freeze-dried melon juice naturally rich in SOD), Gliadin (Triticum vulgare wheat extract), Maltodextrin]

Natural Vitamin C Acerola Berry Juice Powder is packed full of purity. Vitamin C is essential for the growth and repair of cells and for a strong immune system. Acerola berries provide a naturally bio-available and powerful source of Vitamin C, the antioxidant vitamin.

The best source is carefully extracted to keep the bio-force of Vitamin C present and potent. PURE-XP's cold liquid extraction process ensures that the Vitamin C is left intact and maintains its strength, yielding a uniquely high 20% concentration. PURE-XP brings you a naturally sourced Vitamin C available in an organic fruit juice powder. Vitamin C as nature intended.
